MEMBERS OF THE PARKS AND RECREATION COMMISSION

City of Long Beach
California

RECOMMENDATION:

Recommend to the full City Council to authorize the City Manager to execute a right-of-entry permit for Jose Loza, mural artist, to access Seaside Park, located at 1401 Chestnut Avenue, to provide mural painting commencing June 2010.

DISCUSSION

On April 10, 2010, the Public Corporation for the Arts (PRA) entered into a contract with mural artist, Jose Loza, to paint murals along 660 linear feet of walls bordering Seaside Park and also on West Cowles Street. Jose Loza is scheduled to begin the 90-day mural project in June 2010. It is anticipated that during this time, access to the park soccer fields will be closed. Parks and Recreation Commission approval is requested because the City of Long Beach (City), Department of Parks, Recreation and Marine, is the trust grantee for the Seaside Park property. The Parks and Recreation Commission recommendation to execute a right-of-way permit to allow the painting of murals will be transmitted to the full City Council.

The proposed right-of-entry permit contains the following major provisions:

- Authorized Use: Access City-owned property known as Seaside Park, located at 1401 Chestnut Avenue, for the sole purpose of painting of murals, along 660 linear feet of walls.
- Term: 90 days, commencing June 2010.
- Insurance: The right-of-entry permit will require Jose Loza to indemnify the City and provide insurance as required by the City's Risk Manager.
